A young boy with dark skin and short hair is sitting on a dark, possibly concrete, floor. He is wearing a blue and white horizontally striped polo shirt and blue shorts with a yellow stripe on the side. He has a smudge of white food on his chin. He is holding a clear plastic cup filled with a white substance, likely porridge or a similar food, in his left hand. In his right hand, he holds a spoon with a small amount of the white substance on it. In front of him on the floor is a white, round, textured object, possibly a piece of bread or a small bowl. In the background, the lower legs and feet of two other people are visible, one wearing a sandal. The lighting is somewhat dim, suggesting an indoor setting at night or in a dimly lit room.
